MEMORANDUM FOR THE RECORD

Morning Meeting of 6 September 1966

DD/I noted that a number of recent intelligence publications have been compiled in response to Secretary Rusk's request for an update DD/I stated that he would prepare a memorandum for the Director's signature transmitting these publications. The Director asked that the estimate of the number of insurgents be noted in the covering memorandum.

DD/I reported on meeting with Webb of NASA regarding political and economic factors on the Soviet space program. DD/I proposed, and the Director agreed, that a briefing should be prepared and given to Webb in late September.

Carver noted that Dr. Steve Enke is going to Saigon to look into the economic warfare program for Secretary McNamara. Enke has been in contact with the Agency on this matter.

Bross noted that he would provide the Director, prior to his meeting with Secretary McNamara tomorrow, with a background
